

St. Joseph Catholic Parish~MANCHESTER

September 28th, 2001 Edition of Thursday Notes Volume MMXI No. 1

The 76th Annual Sausage Supper is just around the corner....Sunday October 9,

This is such a wonderful tradition in our parish and one that our family looks forward to every year. Although Fall can be a very busy time of year, many volunteers have already stepped forward to chair a committee, assist with apple cutting and apple butter or to work a shift on October 9, at the Sausage Supper.

With just a couple of weeks to go, we still need many additional volunteers. The Sausage Supper is only successful when everyone joins in and does their part. We need your help.

Volunteers are still needed to work in the dining room, game booths, kitchen, and carry out. Others are needed cutting apples, making apple sauce or apple butter; lend a hand on the Friday evening before the Sausage Supper, to help with dining room set up and the sausage wrap. Please review the information below for details. Feel free to call or e-mail if you have questions or need additional information.

Clean Up Sunday evening

The dining room and kitchen are looking for several volunteers to help with clean up on Sunday evening at 7:30 p.m. This is a big job. The more volunteers we have the faster everyone can get home on Sunday evening after a long day (great opportunity for teens to help as well). Please contact Cindy Mueller: ckmotr@charter.net

Thanks for prayerfully considering where you might be able to lend a hand. We need everyone's help. Please call or e-mail today.

Many thanks!
