

Hello Vacation Bible School Parents and Volunteers,

It is with great disappointment that we write this message informing you that we will not have Vacation Bible School at St. Joseph's this Summer 2011. After much prayerful consideration, we feel that VBS at St. Joseph's will best be served in the future if we are able to provide a full VBS program like we have done in the past. With the proposed construction beginning in the Summer we would not have been able to use the school and would have had to reduce the length of the program significantly. We apologize for any inconvenience this may have caused you and hope that you will joyfully join us again next year for VBS 2012. Please feel free to contact us with any questions that you may have, we would be more than happy to answer them.

Thank you for your support of VBS in the past, present, and future,  
Monica Milholland
