PARKING LOT: Please be here by 5:30 pm for instructions. Any one who rides with you should wait for you in the office. (They are supervised.) Finally, please park your car in a spot that won't block the other cars when they start to leave. You will receive a reminder email or phone call the week before your assigned date.

HALL MONITOR: Please be in the office at the start of PSR class to receive your assigned spot. You will be in the gym foyer or at the end of the hall near the steps and will be here the whole class time. You are welcome to bring reading material, sewing, etc. You will receive a reminder email or phone call the week before your assigned date.

If you don't see your family's name on here, don't worry. You will get a chance to have your turn. I will be calling you to fill in where needed. Please be considerate and say "yes" if at all possible. It's to everyone's advantage that we will have enough help during class and at dismissal especially this year with construction. The key word this year is "patience". Thanks for your help.
