

We are *EXCITED*... to offer religious education classes for children with special needs at St. Joseph!

Who can attend?

Any child with special needs whose needs cannot be met in a general religious education classroom. The classes are held Monday evenings at 6:15-7pm (or a shortened time if needed) throughout the school year.

What will we teach?

It is our desire to provide quality religious education, sacramental preparation and a living faith for children with special learning needs. We have a high ratio of teacher/helpers to students and work with parents to help the children benefit in the best possible way. Our primary goal is for children to know that God loves them.

What will we do?

Have FUN learning about God!

If you are the parent of a special needs child, or if you are interested in assisting us with the program, please contact Debbie at debbiefrick@yahoo.com or 314-583-4369 for more information.

To Register!

For a special needs class please click on this link, print it out, fill it out and mark in the comment section: ***Special Needs Class***. A copy of the child's IEP will need to be provided to Debbie Frick. If you want to register your child please contact Debbie at debbiefrick@yahoo.com or 314-583-4369.
