

Dear 2010-2011 Fifth Grade Parents and Students,

Fifth grade students are required to read three books during the summer **that they have not read**. Any book on this list may be selected as summer reading by your child. A book report format is also included. All three book reports need to be turned in to Mrs. Gahn, your Fifth Grade Reading teacher, by the first day of school next Fall. You may either send them to her via email over the summer, or turn them into her on the first day. If one book is read each of the summer months, the task is an easy one. Thank you for your cooperation and support of our summer reading program.

Sincerely,
The Fifth Grade Teachers
