

PRE-K ENRICHMENT DAY

St. Joseph Woodsmill has an Enrichment Day program for our Pre-K students. This is a four hour program starting at 10:40 and dismissing at 2:40.

This four hour addition offers more in depth activities that we don't have time for in our normal school day such as: math, science, dramatic play, more creative art, journaling, playing language games, creating short stories, more music/movement, an additional gym period and more, based on our thematic approach to different disciplines. It is a fun and relaxed educational program that is limited to 10 students.

When you register for Enrichment Day, you are committing to the entire year of Wednesdays. The program will not run on some of the party days or field trip days. You do not pay the regular Lunch Bunch fee on Enrichment Days because lunch time is included in the tuition. The cost for this additional program is \$25.00 per day, with a \$25 nonrefundable yearly registration fee. Children need to bring a lunch with a drink to this program.
