

We Need Help! Can **YOU** help?

St. Joseph Parish School of Religion (PSR) is doing wonderful work for its Special Needs PSR classes.

And because of that we are growing by leaps and bounds!

So, again, we find we need more people who are called to minister to children with special needs. If you have a background in special education and would like to help by teaching a child, or have no background but feel called to serve children with special needs or assisting in any other way, please contact us!
